2022 welcome

Phil Pynor, Project Manager
One Foundation International

Welcome to our Annual Impact Report, giving you an overview of our commitment to making a meaningful difference in the world.

We believe in the power of collective action to create positive change and address the most pressing social challenges of our time.

This report serves as a reflection of our commitment to making social impact and showcases the progress we have made over the past year.

It outlines our strategy moving forward and briefly highlights the projects and partnerships that have shaped our efforts.

In an era marked by complex global issues, we recognise the importance of transparency and accountability.

Through this report, we aim to provide you with a broad understanding of our impact strategy, goals, and outcomes.

We extend our deepest gratitude to all our partners, stakeholders, and the individuals who have joined us on this social impact journey.

Together, we have empowered change, transformed lives, and built a foundation for a better world.

We invite you to join us in celebrating the power of collective action in creating lasting social change.

Michael Chant Chair
One Foundation International Inc

As Australia (and indeed the rest of the world) slowly emerged from the COVID pandemic like a butterfly from her chrysalis, the One Foundation Board was working hard to be as effective as possible in the new world.

We spent much of the year working on our Theology of Mission to be sure that we are concentrating on the really important things, and not investing our time in things that were unimportant.

We used a valuable resource, the book "When Helping Hurts", to focus our thoughts and out discussions (if you haven't read it, I highly recommend it).

My special thanks to the board members for their diligence, hard work, and grace, especially on our special Strategic Planning day.

We have instituted a Social Impact Fund which we put to work supporting a development project in Cebu.

This project partnered with local business and created an income stream for Pro Vision. It is our hope that we can continue to do work like this in the future.

We owe special thanks to Sarah Baeker for her hard work as both a board member, and our Administration officer. One Foundation runs efficiently because of her diligence and commitment.

The One Foundation board looks forward with anticipation and excitement to 2023 and beyond.

Our Impact Statement

Removing Barriers, Enabling sustainable futures

We partner with local service providers to generate sustainable, strong and healthy communities for those most affected by poverty and distress.

Our Strategic Outcomes

Localised Community Leadership and Responsibility

Our focus is oriented towards action happening on the ground, led by local leaders with an emphasis on their capacity to make choices for themselves and their communities.

Recognising, Valuing and Harnessing What Already Lies Within.

We believe God has placed His capacity in everyone, and through Him all people have the potential to bring about transformational change in their communities. It is our goal to see that potential realised and released through the projects we support.

Sustainable Stewardship.

We understand that we possess / own nothing, that all we have belongs to God. With this in mind our focus is on long term sustainability to maximise the potential for transformational growth.

A Considered, Biblically Sound Theology of Hope.

We believe poverty and distress scars the image of God inherent in humanity. At its core this represents an injustice perpetrated against another by individuals, organisations, systems and governments. The work of the cross is, at its very core, God's full stop against injustice. We believe Biblical hope emphasises independence from enslaving powers, both spiritual and physical. At OFI we believe we are called to be like Christ and call out both spiritual and physical injustice in order to remove barriers for the poor and those in distress

Acknowledgements

We would like to express our heartfelt appreciation for your unwavering support and dedication throughout the past year.

Your commitment to support the world's poorest and most vulnerable has played a pivotal role in our desire to see tangible impact and continued growth.

Your generosity, through financial contributions and advocacy, has made a tangible impact on the lives of those we serve.

We are deeply grateful for the trust you have placed in us, allowing us to channel your support towards the projects and initiatives you are most passionate about.

Please accept our heartfelt thanks for your ongoing commitment and for being a beacon of hope and inspiration.

'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'
