

ONE FOUNDATION INTERNATIONAL ANNUAL IMPACT REPORT 2023-24

A MESSAGE FROM OUR CHAIRPERSON

Dear Supporters and Friends,

It is with great joy that I invite you to join the board in reflecting on the achievements, challenges and growth of this past year. Together, we have made a significant difference in the lives of those we serve, thanks to your unwavering support and dedication. This annual report highlights another year of impactful work as we continue in our mission. I am deeply grateful for your continued commitment, and I look forward to what we will accomplish in the year ahead.

ELLY GRIMMETT

A MESSAGE FROM OUR PROJECT MANAGER

Over the past year, global conflicts have intensified, with the situation in Gaza standing out. It starkly reminds us of the devastating impact such conflicts have on human life. One of OFI's core strategic outcomes is grounded in a Biblically-Sound Theology of Hope. Amid extreme poverty, political unrest, and corruption, this commitment remains both a guiding principle and a significant challenge. It calls us to trust in God's promises and instill hope in the communities we support, even in the most difficult circumstances. We recognise the profound impact of these challenges on our partners and are dedicated to providing support that is both practical and deeply rooted in the hope and resilience found in Scripture.

PHIL PYNOR

ADMINISTRATION

This year, we welcomed a new Administration Manager, Melanie Graetz who has been instrumental in streamlining our operations. A key focus has been the alignment of data management across all platforms, ensuring consistency, accuracy, and security in our records. This effort is critical as we work to improve communication and collaboration with our Project Leaders. By enhancing data integration and transparency, we are more equipped to support our projects and make informed decisions that drive our mission forward.

BOARD PRIORITIES

In the past year, we have continued to prioritise the regular review of our organisational policies to ensure alignment with best practices and legal requirements. This included a comprehensive assessment of our Data Retention Policy to safeguard sensitive information, as well as a thorough evaluation of our Risk Management strategies to mitigate potential threats to our operations. Additionally, we have adopted the new National Fundraising Standards and Charities Code of Practice, ensuring our fundraising activities are conducted ethically and transparently. Ongoing policy reviews remain crucial to maintaining the integrity and effectiveness of our organisation.

HIGHLIGHTS

B4T Indonesia

2024 saw the launch of B4T Indonesia and the opportunity to partner with them. The goal of B4T Indonesia is to invest in Indonesian businesses that have a Kingdom impact by providing financial backing, business training, and mentorship to empower local entrepreneurs, enabling them to grow their businesses and positively impact their communities. Together with B4T Adelaide and Clovercrest Baptist Church, we have provided an avenue for the distribution of funds and support in setting up an NGO in Indonesia. B4T Indonesia is supporting a range of community-driven Kingdom businesses, including agricultural production and management, women's cooperatives producing food items, nutrition services for health improvement, juice production with plans for expansion, and the creation of premium handmade leather goods.

Pro.Vision Christian Learning Centres Cebu

This year, we have recognised the critical need to support the development of a sustainable business plan for the Pro.Vision Christian Learning Centres in Cebu. In partnership with Pro.Vision Philippines, we have committed to funding an additional day for Principal Jane Dayanan to focus on building a network of in-country partners and identify potential grant opportunities. We are working closely with the team in Cebu, providing strategy and mentoring support whilst exploring ways to establish a robust network in Australia. These efforts are essential for ensuring the long-term viability and impact of the Pro.Vision kindergartens, enabling them to continue providing vital education to children in need.

Pro.Vision Social Impact Fund

In 2022, One Foundation partnered with Pro.Vision Philippines to launch a pilot project for a Social Impact Fund in the Philippines. The pilot was deemed a success, leading the OFI board to donate 2 million PHP (approximately \$50,000 AUD) to support the establishment of the fund. Although still in its early stages, the fund is using interest earned from loans to local businesses to support the Christian Learning Centres.

COMMUNICATION

Given the global spread of our partner projects and our lack of physical presence in those countries, communication remains a significant challenge. The distance between field operations and our supporters in Australia complicates the flow of information. To address this, our Memorandums of Understanding (MOUs) clarify that projects are responsible for generating reports and updates. We are committed to ensuring that information reaches all supporters, including those not connected online, and emphasise the importance of maintaining direct communication with local teams. This approach is crucial for fostering strong relationships and effectively supporting the vital work being done in these regions.
